Terms & Conditions

Delivery and collection is available within the Perth metropolitan area (price on application). If you choose this option, damaged items will be charged at a flat fee of \$35 each (except for teapots and cake stands which are charged at replacement cost).

You are welcome to collect your items from our premises in Shelley - by appointment. All vintage china and silverware must be hand-washed, dried, re-packed and returned after the event. Please note: our china and silverware is from an era where dishwashers did not exist, so must only be washed the old-fashioned way (damaged or lost items will be charged at replacement cost for all custom hires). Lost or broken champagne and water glasses: \$2.20 per glass (cut crystal replacement glasses: \$15 each).

A \$200 bond is payable for orders of \$100 and over. For orders less than \$100, a \$100 bond is payable. Bond monies are returned via online bank transfer in the week following your event, once everything has been returned and accounted for.

Items must be returned in the same condition as they were when first received. A \$55/hr fee will be charged for any items needing to be re-washed.

Tea and dinner set items cannot be added to our Hire Packages. All other items (e.g. linen, glassware, furniture and decorator) may be added (they will also be delivered, collected and washed up, along with everything else in the hire package).
